

Important information:

Format – Word document available from CDP website/ORS that is to be filled out/signed by verifier and submitted by reporting company by attaching this document in the response.

The use of the CDP verification template is not mandatory. It has been produced to allow for verifiers whose standard assurance statement does not cover the points requested by CDP to demonstrate how the reporting company has met those requirements and therefore allow them to gain the appropriate credit from CDP. See <https://www.cdp.net/verification>.
